Ch-Estate Dispute
T-Property

Will: 1883: Mary F. Daugherty: Lee County

- Correspondence

To The Hon. H. K. Morrison
Judge of The Circuit Court of
Lee County, Va.

Your petitioner A. L.
Pricemore would respectfully
represent that one A. Ed-
mouson guard &c heretofore
filed his bill against L. D.
Fulkeson Curator &c. The
object of which was to
Compel payment over to the
plff of certain money due
his wench from Polly Dougherty
deceased. The money thus due
then was derived by the said
Polly from her husband's
estate the late Charles Dougherty
deceased.

That money thus
due Mrs Dougherty, was in
litigation among the collateral
heirs of her said husband
and at the time, and for some-
time after the death of Charles
Dougherty, and even to this day
it was believed the said
Charles left a will, but it
could not be found. The said
Mrs Dougherty resides there.

Circumstances, employed the professional services of your petitioner, to endeavor to set-up said will, and prosecute if necessary suit, for the recovery of whatever might be due her under the supposed will, which was a life estate, in a valuable real estate and fee in the personal estate. Owing to the fact that no proof could be obtained of the existence of said will after the death of said daughter that suit failed, and was then compromised so far as the infant's & personal estate was concerned.

For these services the said Pally Daugherty, on the 31st day of January 1883, made and executed her bond to your creditor for the payment of her services and at her request the compensation was regulated by a percent, 5 per cent on the first one third account and 10 per cent

in the service which Centhact's
plainly set-out in the writing
here filed marked "A"

Your orator is advised that as
to this pr. Cent he has the right
and not the plff to have and
receive and this he pray may be
granted him.

At the same time, he was thus
employed Henry Edmundson the
father the plffs were employed
your petitioner to prosecute said
suit for & on behalf of his
children acting as their next-
friend for their reversal under
said will, and in the progress
of his labor & investigation he
solicited said Henry to employ with
him Messrs Richmond & Orr, and the
services they charge for, in this
cause, in that behalf your peti-
tion concerning well due them -

But he begs to state that he
humbly conceives he renders an
equal amount for said ser-
vice, and was first employed
and that for these services he has
a lien upon said fund.

He did have any written

Contract in the last named engagement
 but was to have his charges paid
 according to the labor performed -
 Messrs Richmond & Co. he believes
 has a written Contract for \$200.
 As your petitioner conceives his
 services equal in labor & benefit
 But owing to aid in his labors
 and the additional amount paid
 him by Mrs. Dougherty he is con-
 tent to charge no more paid
 him out of this fund \$250. to
 which he conceives himself en-
 titled - He can't owe Mrs. Dougherty
 as shown by said report is \$269.14
 $\frac{1}{3} = \$897.00$ $\frac{1}{10} = 44.85$ - and on
 render \$1794 $\frac{1}{100} = 179.40$. making the
 sum in this case being \$223.40. all of
 of the sums now on hand but this is about that amount
 which he pays may be paid
 him - and as my duty binds me

Memoranda of a Contract made
and entered into by Mary F.
Daugherty of one part and
A. L. Pridemore of the other, witnessed
that the said Mary F. Daugherty
has engaged the professional ser-
vices of the said A. L. Pridemore to
prosecute a suit in chancery for
the establishment of the will of
the late Charles Daugherty now deceased
and manage her legal affairs and
give advice therein, and to endeavor
to collect as much of the personal
estate of said Daugherty deceased as
she may be legally entitled to - and
if practicable to recover, the personal
property on hand at the date
of said Daugherty's death, And for
these services the said Mrs Mary F.
Daugherty agrees and binds herself
to pay to the said A. L. Pridemore
five percent on the first one third
so recovered and ten percent on the
residue. And as to this debt I

To The Hon. John A Kelly
Judge of the Circuit Court of
Lee County Virginia.

The Demurrer and answer
of L. D. Faulkerson, to a bill
filed in this Hon. Court against
Thomas Carrator or by Andrew Edmonson
Garabancie.

Respondent is advised the
pffs bill is not good and suf-
ficient in law and of this he
prays judgement or - But if any
other or further answer be
deemed necessary answering he
says, there will doubtless be in
his hands as the personal repre-
sentative of Charles Dougherty de-
ceased, a considerable sum due
the pffs words - and there will be
still more due them from the
estate of Pally Dougherty deceased.

But while this is a fact your
respondent is unable in the
present state of deceased's
affairs to say how much he can
safely pay - A large amount that
will hereafter come into his hands
is due from C. E. Baylor sur-
viving partner of himself and

is fully shown by the pliffs bill, but your respondent has not sought to collect it from him, because he could not pay out the same for the reasons herein after stated. Said Baylor he is informed is ready to pay at any time. There is a land suit in the Supreme Court of the United States known as the "Holmes" Suit which involves the title to a valuable tract of land purchased by said Baylor from his decedent in his lifetime, and to which he made a deed with Covenants of general warranty. This suit has been recently argued & submitted for final action to said Court, and in all probability will soon be determined. If lost by said Daugherty there will be a liability upon his estate in his Covenants. His decedent as the security of one John M. Beatty and as the administrator of said Beatty is involved in three or more suits now pending in your Honors Court the determination of which will bear upon the fund in his hands, and lessen or increase it, as they

may be favorably or otherwise determined. So that it has been out of his power to settle, fully his accounts, out of the money he has heretofore collected he has paid Mrs Daugherty in her lifetime and her personal representative since her death all he felt he could safely do being about \$1800. in all Respondent is advised that he had no right to assume control of the mercantile firm of Daugherty & Baylor but that the legal control of the assets of that concern devolved upon its surviving partner as did the duty of settling the same, he is advised that his duty is only to collect whatever may be due his decedent from the surviving partner and this he will most certainly do.

Respondent does not certainly know what is finally to be realized from the firm of Daugherty & Baylor, but it is greatly less than the plaintiff represents, its gross invoice was in the neighborhood of \$17000.00 of this one half is due Baylor \$8500. The liabilities of said concern was about \$2000 - leaving each \$7500. and this

L. D. Sullivan created this day personally appeared before me and made oath in due form that the facts stated in the foregoing answer are true so far as they depend on his own information and so far as they depend on information derived from others he believes them to be true.

Last sum includes the debts good and bad and respondent is unable to state the loss in that regard but it will be considerable, as will be the costs of suits and administration of this last sum one half is due to estate of Pally Daugherty - subject to her liabilities apart of which, respondent paid at her request. Respondent has no objection to these his account stated indeed desires it so soon as the litigation now pending can be settled so that a full settlement can be made - as if deemed advisable, will cheerfully do so now so far as in his power. And having now fully answered he prays to be dismissed with his costs.

Defendants

In Equity

To the Hon. John A. Kelly Judge of
the Circuit Court for Lee County.

I was, by a Decree entered in the above styled cause at the March Term 1886 of Your Honor's Court, appointed a Commissioner and directed to take, state and settle the account of L. D. Fulkerson Curator of the Estate of Chas. Daugherty deceased, and to charge said curator with all sums properly chargeable to him, giving him credit for all sums for which he produced proper vouchers;

I was also by said Decree required to ascertain the sum in said Curators hands for distribution, the sum due Polly Daugherty widow of the said Chas. Daugherty dec'd, the sum paid to her in her life-time, and the sum paid to her Exr. since her death, the sum still due her estate, if any, and the amounts still in said Curators hand, and who is entitled thereto.

In obedience to said requirements I have, to the best of my ability, performed

said duties, and present this report and Statement & filed herewith in explanation thereof.

Having given the interested parties personal notice, I proceeded on July 1st and succeeding days, to investigate the matters referred to me, and on the 13th July in the presence of Plaintiff's Attorney James W. Orr and the Defendant L. D. Fulkerson Curator &c, I stated said Curators account herewith filed marked "X".

In said statement I charge said Curator with amount of Sale Bill, ^{\$519.00} due as of Novr. 25th 1883, the sale having taken place on the 25th Novr. 1882, and with \$4119.25 amount of receipts from Chas. E. Baylor Surviving partner of the firm of Daugherty & Baylor up to the said 25th Novr. 1883.

Making total receipts to said date \$4638.25. I have given said Curator credit for 10% Commission on \$519.00 amt of sale Bill, and 5% Commission on \$4119.25 amt, received from Baylor, I make this difference in the Commission because of the trouble it is to sell and collect as compared with that of merely receiving and disbursing, and these allowances

Your Court deems sufficient all things considered; and have in this annual statement given him credit for vouchers from 1 to 12 inclusive, leaving a bal. in Curators hands unaccounted for, (for the year) of \$2412.95. I then charge him with Interest for the year and make other like annual statements down to August 25th 1886, at which date I find in Curators hands unaccounted for including Prin. and interest the sum of \$3583.25- of which sum \$460.76 is accumulated interest and \$3122.49 is principal or receipts per his inventory B. C.

Special Statement N^o. 1. X shows the sum of \$5382.28 as the net sum which has been received by said Curator for distribution; And Special Statement N^o. 2 X. shows the proportion of this sum due Polly Daugherty, widow of the said Chas. Daugherty dec'd, the sum paid to her in her life time \$1370.97, and the sum \$428.06 paid her Ex^{or} H. W. Edmonson after her death by said Curator and also shows that there is still due her Estate from the sums in Curators hands as of Aug. 25th 1886 the sum of \$892.11.

Special Statement 3 +, shows that in addition to the amount \$892.11 in Curators hands due Pally Daugherty's Est, there is the further sum of \$2691.14 in said Curators hands as of 25th Aug. 1886, which belongs to the following persons, according to their various interests in the following proportions to wit: - To Chas. E. Baylor on account of his purchases from the heirs of Elias Harber, to wit: that of Hannah Harber $\frac{1}{4}$, of Pally Harber $\frac{1}{4}$, Arthur Harber $\frac{1}{4}$, Wallace Harber $\frac{1}{4}$, Henry M. Harber $\frac{1}{4}$, Samuel P. Harber $\frac{1}{4}$, Botner & wife $\frac{1}{4}$, Burman & wife $\frac{1}{4}$, The heirs of John Harber $\frac{2}{3}$ of $\frac{1}{4}$, The widow & $\frac{4}{5}$ of $\frac{1}{4}$ of Chas. Harber's ^{heirs} and $\frac{5}{6}$ of $\frac{1}{4}$ of the widow & heirs of W. D. Harber, amounting in the aggregate to $\frac{103}{140}$, equals of the above sum for distribution, the sum of \$1979.91 $\frac{5}{10}$, Jeremiah Harber is entitled to \$192.22 $\frac{3}{4}$ of said sum for distribution, Elizabeth Green's 6 children are entitled to \$192.22 $\frac{3}{4}$ out of said sum, Rosetta Harber, heir of John Harber decd is entitled to \$64.07 $\frac{10}{100}$ out of said fund, Emma Harber grand child of Chas. Harber is entitled to \$38.44 $\frac{17}{100}$ out of said fund, The 4 Bays children, Grand Children of W. D. Harber is entitled to the sum of \$32.03 $\frac{31}{100}$ of said fund

and Mary F. Edmonson, Chas. E. Edmonson and Wm. F. Edmonson the three oldest, but minor heirs of H. W. Edmonson are entitled to \$192.22 $\frac{3}{4}$ the balance of said sum of \$2691.14 in said Curators hands for distribution.

I ascertain the foregoing facts upon examination of the report of H. J. Morgan in the decided Chancery Cause of Arthur Harber et al vs Jeremiah Harber et al now on file in my office, and to which if necessary reference is here made. The said Chas. E. Baylor also has deeds from the various Harber heirs which clearly set out his interest in this personal fund as conveyed to him by them. The interest of Pally Daugherty and the 3 older Edmonson Children is shown by a decree Entered in the Chcy Cause of Pally Daugherty vs Mary F. Edmonson et al and H. W. Edmonson Exor of Pally Daugherty vs Wallis J. Harber an extract of which is herewith filed marked "C".

Special Statement No. 4

Shows the amount due the 6 minor heirs of H. W. Edmonson

and for whom A. Edmonson the Plaintiff in this suit stands as Guardian to be \$1084.33, and of this sum May F. Edmonson is entitled to the sum of \$212.76, Charles E. a like sum, and Ann F. a like sum, and Henry E. is entitled to \$148.69, Andrew to \$148.68 and Elizabeth E. to a like sum of \$148.68, and this arises from the fact that said decree only knew and considered the 3 first, to which it gave $\frac{1}{4}$ of the net proceeds of the personal Estate of Chas Daugherty decd, after the widow received one half thereof.

(X Y) But by the will of Pally Daugherty each of the 6 Edmonson children get equally of her Estate, and upon these conditions the fund in Statement N^o 4 is divided and each ones interest is there properly set out.

Your Court is not advised whether or not any births took place, or whether or not any deaths have occurred, to alter in any way under section 4th of said will, the above apportionment.

As is fully shown by the Bill and answer in this cause, Chas. Daugherty died intestate, possessed of a considerable fortune, or what we in our mountainous Country, call a fortune, consisting of a fine tract of Real Estate, personal property and a half interest, as admitted by all parties, in an exceedingly flourishing Mercantile business, with one Chas. E. Baylor as his partner, who undertook, as was his duty as surviving partner to do, to settle up the business of said firm, but who has not, so far as I am informed closed up said business.

Mr. L. D. Fulkerson the Curator of Chas. Daugherty dec'd and one of the Defendants in this cause, soon after qualifying as such Curator, very properly took or caused to be taken an Invoice of Cash or what was supposed to be cash belonging to said firm, an Invoice of the stock of goods on hands and an Invoice of the Notes & accounts supposed to be due said firm, and had the same recorded in the County Court Clerk's Office of Lee County, which amount to the following sum to wit: forwards

$$\begin{array}{r} 17655.03 \\ 1000.00 \\ \hline 2116655.03 \\ 8327.51 \end{array}$$
$$\begin{array}{r} \$8327.57 \\ 5722.52 \\ \hline \$3205.00 \end{array}$$

leaving the probable amount of \$3205.⁰⁰ Yet to be received from this business and be accounted for in the manner as set out in Special Statements 3 + 4 accompanying this report.

Said Curator also files and has recorded Inventories E. F. + G. setting out lists of old notes due or supposed to be due to Daugherty, Daugherty + Co and Daugherty + Beatty, upon which he has so far received but little if any, but upon which

he may receive something, which he will in a future settlement account for properly.

Whether or not, Mr. Baylor the Surviving partner, is using due diligence in settling up the business of said firm, Your Court is not able to say. But not until this is done can the Curator fully settle his account.

I am informed by the Curator Mr. L. D. Fulkerson, that owing to a late decision of the Supreme Court in the "Holmes Cases", Mr. Baylor is likely to have a claim against the Estate of Chas. Dougherty dec'd, to nearly if not quite equal the probable balance which upon a final settlement of all the firm matters may be due from him (Baylor) to said Estate, but how this may be Your Court cannot definitely state. I will add however that the sooner these matters are closed up, the better it will be for all parties concerned.

Respectfully submitted

L. D. Fulkerson Curator & Deft } Sulchey

To the Hon. W. S. K. Morrison
Judge of the Circuit Court for Lee County, Va.
Having been appointed by a
Decree entered in the above styled Cause
at the ~~Sept~~ Term 1888, of Your Honor's said
Court, and therein directed to
ascertain what amount is due
A. L. Pridemore as the Attorney
for Talley Daugherty dec'd in
fulfillment of his contract with
said Talley - which is on file
with said Pridemore's petition
in this Cause - and to further
state and settle the account
of L. D. Fulkerson Curator of
Chas. Daugherty dec'd.

Respectfully reports
that he caused said Curator
to come before him, and on
investigation of the matter it was
found that, all receipts by said
Curator have been accounted for
in his former settlement, except
some very small amounts received
on the invoices of old notes due

and owing to Daugherty & Co.

The most of the debts as shown by said Invoices Nos 1, 2, & 3, hereto filed are reported by said Curator as hopelessly insolvent, and will on a final settlement be accounted for in that way.

Before Mr. Fulkerson can make and exhibit of ^{Settlement of this} final account, it will be necessary that a settlement be made between him and Chas. E. Baylor the surviving partner of said Charles Daugherty & Co.

From the Invoice of goods and list of votes and accounts on file in this Cause as belonging to the firm of Daugherty & Baylor I conclude that in addition to the amount of receipts heretofore reported, there must be a considerable sum yet to be received and disbursed by said Curator, which cannot be ascertained until the firm matters are closed up.

4 Charles E. Baylor is the surviving partner of the late firm
5 of Daugherty & Baylor and as such he owes to said L.D. Fulkerson
6 as Curator of said Chas Daugherty ^{as of Sept 1-1889} the sum of \$2016.86
7 which he has not in fact turned over to said Fulkerson, but
8 which was treated and considered as being in said Fulkerson's
9 hands, by the decree entered in said cause on the 5th day of
10 Sept 1889 and Fulkerson was decreed to pay to the parties
11 interested in the Daugherty estate the same as if said
12 Fulkerson had actually received said Fund. And said
13 C.E. Baylor being the security of said L.D. Fulkerson in
14 his official bond as curator of said Daugherty and therefore
15 ultimately liable for all sums which said Fulkerson might
16 receive as such curator, to prevent said sum of \$2016.86
17 from going into said Fulkerson's hands, said Baylor has elected
18 to pay the distributees of the Daugherty estate and the creditors
19 thereof, said sum of \$2016.86 without the same being paid to said
20 Fulkerson as such curator, and he then paying to said
21 distributees and creditors.

22 And said Charles E. Baylor being one of the distributees of
23 the estate of Chas. Daugherty decd, by virtue of his purchases
24 from the Huber Heirs and as such is entitled to the sum
25 of \$695.79 as of Sept 1-1889 out of the fund treated as if in the

have received of said Baylor as aforesaid the sum of eleven

Henry J. Morgan agt & atto.

Some years ago I bought Jeremiah Harbers interest in the
Charles Daugherty land, and paid all the purchase money
therefor except \$58- or \$60- and for this I gave him my note
which he still holds. At the time he sold this land to
me, and received the payment therefor except the sum above stated.
There was a bill in equity pending against said Harber
in the Circuit Court of Lee County to collect a debt owing by
him of about \$150- with interest from about the year 1872 or 1873
and in that suit his interest in said land had been attached
and this suit and attachment was pending at the time I made
said purchase and payment. And when that suit

1 was finally heard and determined said Harber was decreed
2 to pay said debt and interest and cost. And his interest
3 in said land was decreed to be sold to pay the same
4 and hence in order to hold his interest in said land
5 which I had bought of him and paid him for as aforesaid
6 I was forced to pay off said decree interest and cost &
7 in doing so I paid out the sum of \$216.46 of which \$75.00

9 Now by the decree entered in this cause on the 5th of Sep 1889.
10 there is \$67.55 decreed said Harber out of the fund treated as being
11 in the hands of said Fulkeason as curator of said Daugherty's estate

13 calculated down to Nov. 15 1889, amounts to \$68.39, and as I
14 am paying out or paying off the several decrees entered in

16 passing through said Fulkeason's hands, and by doing so, dis-

18 I am owing to said Fulkeason as curator an account of money

vs.

S. D. Fulkerson Curator and Defts.

In Chy

To the Hon. H. S. K. Morrison Judge of the Circuit Court of Lee County Virginia

Maj John A. G. Hyatt by Exhibit (C E B) filed with his report in this cause filed therein Augt the 20 1889 shows that I as survivor of the late firm of Daugherty & Baylor am owing to the estate of said Daugherty upon a settlement of said firm matters the sum of \$2016.86 as of Sept 1-1889 and that sum was charged to S. D. Fulkerson as curator of said Daugherty estate, the same as if I in fact had paid it to him, and the decree entered in this cause on the 5th day of Sept last was entered against said Fulkerson and myself as his surety the same as if said sum had been paid by me to him, But the fact is it was not so paid, and the same was then, and until recently was still in my hands. And I being said Fulkersons security in his official bond as curator of said estate, the decree entered in this cause on the 5th of Sept last, allowed me the privilege of paying off the several sums decreed against said Fulkerson as curator and myself as his surety. and by doing so. to discharge the debt of \$2016.86 which I as the survivor of said firm am owing him.

The undersigned begs leave to state, that he has paid off and discharged the several decrees entered in this cause against S. D. Fulkerson as Curator, and myself as his surety, and in doing so have discharged said debt of \$2016.86 which I as surviving partner of the late firm of Daugherty & Baylor was owing said Fulkerson as Curator at the time said Hyatt made his said report and as shown by said exhibit (C E B)

I have settled all of said claims as of Nov. 15 1889 except the one of \$695.79 due myself and that is adjusted as of Sept 1-1889. and as to the other claims they bore interest until Nov. 15 1889.

The following tabular statement will show how these matters are adjusted.

In this manner I have discharged my liability, to Daugherty et al as shown by said Exhibit (B & B) and I have at the same time paid off the several decrees and recoveries entered against said Fulkeason and myself in this cause on the 5th day of Sept. 1889. And hence all these liabilities should be now cancelled by a decree entered in the cause.

To this report is attached the receipts for the money paid out by me, and the statement of facts on which two or two claims are returned in my own hands.

against

To the Honorable H. S. P. Morrison
Judge of the Circuit Court for Lee County Va.

Your undersigned Special
Commissioner in the above styled Cause
being directed by decrees entered therein
Sept. 6th 1888 and Decr 7th 1889, to ascertain
and report how much is due A. L. Brideman
as Attorney for Polly Daugherty under his
Contract with her, when same is due &c
all of which is set forth in said Brideman's
petition filed in said Cause, and to further
State and settle the account of L. D.
Fulkerson Curator of the Estate of Chas.
Daugherty decd.

And to settle and adjust the Copart-
nership that heretofore existed between
said Chas. Daugherty decd and Chas. E.
Baylar, showing the condition thereof
and the amount if any, in the hands
of Chas. E. Baylar due &c which has not
been turned over to said Curator &c

In obedience to the requirements of
said decrees - I summoned the parties
before me, several times and finally
on the 12th Aug 1889, succeeded in
getting sufficient information to
enable me to make the statements
and report the information desired.

The first thing I found necessary to

1 be done, was to settle the partnership
2 transaction between the late Chas. Daugherty and
3 his surviving partner Chas. E. Baylor, or rather
4 to settle and show what amount yet
5 remained to be accounted for by said
6 Ch. E. Baylor as such survivor.

7 As will be seen by statement
8 of the partnership transaction, herewith filed
9 marked "C. E. B. I. First Charge" said
10 Baylor with Six thousand one hundred
11 and thirty, five + $\frac{28}{100}$ Dollars, as the
12 amount of cash reported by inventory
13 "C," as being in hand, and with Two thou-
14 sand Five Hundred + one + $\frac{57}{100}$ Dollars
15 as the amount and value of Goods in
16 stock shown by Invoice of Goods "A,"
17 And with Six thousand and forty-four
18 + $\frac{14}{100}$ Dollars as the net sum shown
19 by list received from invoice of notes
20 and accounts, herewith filed marked
21 "R," aggregating the sum of Fourteen
22 thousand Six hundred and Eighty dollars
23 and Ninety-nine Cents, as the correct
24 amounts to be charged to said Ch. E.
25 Baylor as such survivor.

26 It is proper to here state that
27 the Invoice of notes and accounts filed
28 by the levator amounts to a much
29 larger sum than this \$6044.14 reported
30 as received by survivor Therefore, which
31 is made plain, by noticing the two last
32 items of account listed in said inventory

1 "B, which are accounts due the firm from
2 Chas Daugherty & Est and from L. E. Baylor
3 Daugherty account amounts to \$1418.18
4 Baylor's " " " 1147.89

5 Aggregating - - - - \$2566.07

6 which after being adjusted between
7 the partners, and charging the Survivor
8 with \$135.15, 1/2 half the difference
9 between their accounts as shown
10 by voucher 4 in his statement,
11 and by not charging him with
12 \$452.67 the insolvent list returned
13 by him herewith filed marked "D.L."

14 It will be noted that the list of
15 Notes and accounts is fully
16 accounted for by L. E. Baylor,
17 and that the proper charge against
18 him is as set out in said Statement

19 "L. E. B. \$14680.99. I have given him
20 Credit for vouchers from 1 to 4 inclu-
21 sive all of which are proper and just,
22 resulting in showing that said Surv-
23 is justly due as of March 1st 1883, to L.
24 D. Fulkerson the Curator of Chas. Daugherty
25 dec'd, the sum of \$6701.46. and as
26 shown by the receipts of said L. D.
27 Fulkerson Curator, in the hands of L. E. Baylor
28 he had paid him up to March 1st 1883, the
29 sum of \$4388.65, and that up to March
30 1884, he had paid him \$474.80 more
31 and that up to March 1st 1887, he had paid
32 said Curator the further sum of \$383.25.

1 Aggregating the sum of \$5246.40 paid over
2 to said Curator from time to time up to
3 March 1st 1887, since which time he
4 has paid said Curator nothing.

5 As will be further observed I have
6 charged said Survivor with interest
7 on all balances shown to be in his
8 hands of principal unaccounted
9 far down to Sept 1st 1889, resulting
10 in showing that there is of principal
11 in his hands unaccounted for on
12 Sept. 1st 1889, this sum \$1457.86 and
13 \$562.00 of accumulated interest, making
14 a total of Two thousand and Sixteen
15 Dollars and Eighty six cents to be ac-
16 counted for by him as of the 1st Sept.
17 1889.

18 After performing the above
19 stated work, I proceeded to state
20 and further settle the Curator's account
21 of L. D. Fulkerson. And as will be
22 seen by statement of his account herewith
23 filed marked "L. D. F." I first charge
24 him with \$34.50 paid him by L. E. Bayler
25 Surv. Jan'y 18th 1887, and with \$89.59
26 paid him by same Jan'y 26th 1887,
27 and with interest thereon from the
28 time he received the money up to
29 Sept 1st 1889, these are the only amounts
30 said Curator has received from the
31 Survivor, since the former statement
32 of this account in this cause -

1 on which decrees were rendered against
2 him for the amounts in his hands
3 unaccounted for in favor of those
4 entitled thereto, as shown by said
5 former statement.

6 I then charge him with all the
7 solvent notes turned over to him
8 as shown in inventories Nos. 1, 2 & 3,
9 of debts due the firm of Daugherty & Beatty,
10 Daugherty & Co and Charles Daugherty
11 Subject however to credits entered on
12 said notes and with interest on all
13 balances down to Sept 1st 1889, which
14 together with the insolvent notes
15 returned herewith filed marked
16 'B', amounting to \$449.42, fully acco-
17 ments for all sums he is properly
18 chargeable with on account of these
19 three invoices and the amounts received
20 from C. E. Baylon Surv. since his last
21 settlement, and results in showing
22 that he is chargeable as of Sept. 1st 1889,
23 to the sum of \$767.58, including
24 all interest properly chargeable to him,
25 And have given him credit for
26 vouchers from one to ~~twenty~~ inclusive
27 all of which are proper charges against
28 said fund thus found in said Curators
29 hands, and have allowed him 10% on
30 his disbursements, which in the opinion
31 of your Court, is no more than just, consid-
32 ering the trouble to collect these old claims &c

1 Resulting in showing, that there is in
2 the hands of said Curator unaccounted for
3 to square on the 1st Sept. 1889, the sum of
4 One Hundred & fifty Six ³⁹/₁₀₀ (\$156.39) Dollars.
5 - which may be applied to the payment
6 of a Judgment by decree in favor of
7 L. M. & R. B. Beatty Amount to said L. & R.
8 Fulkerson as such Curators, this
9 amount thus found will not fully
10 satisfy the bal due from said Fulkerson
11 as such Curator, the greater portion of which
12 by assignment ^{is going} to A. L. Pridemore, all
13 except some items of costs - all of
14 which I shall now attempt to
15 adjust including the fund of \$2016.86
16 found in C. E. Baylor's hands as Surv.
17 And by Special Statement No. 1,
18 following, I have charged said
19 Curator with the \$156.39 shown to
20 be in his hands unaccounted for
21 and with \$2016.86 shown to be in
22 the hands of C. E. Baylor Surv. &c -
23 aggregating the sum of \$2173.25 -
24 as the available assets of said Estate
25 unaccounted for, by said Fulkerson
26 and Baylor and have given said
27 funds credit with \$174.60 the amount
28 shown to be due A. L. Pridemore assignee
29 & Atty in Beatty Indt. - and with \$6.55 -
30 Sheriff's witnesses costs as taxed and unpaid
31 in said Indt, and with 35-\$, bal Estimated

properly chargeable to said funds, and with \$25.62 Commission on this sum of money which should properly pass through the curators hands, leaving the sum of \$1891.48 as the bal. net amount of said Estate for distribution among the distributees of said Estate.

Special Statement No. 2.

Shows that after allowing the representatives of Talley Daugherty deid, \$945.74 and half thereof there remains the same amount \$945.74 for distribution to Chas. E. Baylon in right of his purchases from the various Harbor heirs, which purchases in the aggregate amount to $\frac{103}{140}$ parts thereof, from which he is entitled to receive the sum of \$695.79, Jeremiah Harbor is entitled to \$67.55, the three older W. H. Edmonson children to wit: Mary F., Chas E., and Wm L. Edmonson are entitled to \$67.55. Reseta Harbor minor heir of John Harbor is entitled to $\frac{3}{4}$ of $\frac{1}{4}$ or \$22.52, Emma Harbor minor grand child of Chas. Harbor deid, is due \$13.51, and the four grand children of W. D. Harbor known as the Bay children are due \$11.27 out of said fund, which amounts as shown by said statement liquidates said fund.

Special Statement No. 3.

Shows the additional amount

1 of \$945.74 due the representatives of
2 Pally Daugherty, subject however
3 to a credit of Two hundred and
4 fifty two Dollars & Sixty five cents
5 yet due A. L. Pridemore as Attorney
6 for said Pally Daugherty, as is fully
7 set out in said Pridemore's petition
8 filed in this cause, accompanied
9 by a writing executed by said Pally
10 Daugherty in her life time, said
11 Pridemore has heretofore had a decree
12 in his favor for 100\$, which together
13 with this sum of \$252.65, constitute
14 the amount due him as claimed
15 in his petition, and the per cent
16 on the amount afterwards received
17 by the legatees of said Pally Daugherty.
18 To which bal. I add \$67.55 the amount
19 shown by Special Statement No 2. to be
20 due the three older Edmonson children
21 aggregating the sum of \$760.64, as the
22 net sum for distribution among
23 H. H. Edmonson's Six Children in the
24 following proportion to wit: to Mary F.,
25 \$138.03, to Chas. E., \$138.03, to Wm. L., \$138.03, to
26 Mary E., \$115.51, to Andrew \$115.52, to Elizabeth
27 Edmonson \$115.52. which accounts
28 for said fund.

29 Your Commission has thought
30 proper to make Special Statement
31 No 4, which how the fund found in
32 E. E. Baylor's hands may be accounted

9
1 for, without passing through the Curator's
2 hands, if such a course may be preferred
3 by the parties, and in said Statement
4 I charge said Bayson with \$2016.86
5 the amount including interest to Sept, 1st
6 1889, found in his hands by statement
7 "C. E. B.", and have given said fund
8 credit with \$125.37, which should
9 come into L. D. Fulkerson's hands, which
10 in addition to the \$156.39, enables him
11 to pay off and discharge the Beatty
12 judgment and the costs taxed therein
13 against him which remains unpaid
14 including \$25.62, Cam, to him for dischar-
15 ging said judgment & costs - and Mr. C. E. Bayson
16 can retain \$695.79, as his distributive
17 share of said fund on account of his
18 purchases from the Harber heirs -
19 there is due Jeremiah Harber out
20 of said fund the sum of \$67.55 - but
21 Mr. L. D. Fulkerson presented to me
22 an order for about 26\$ which he
23 had paid said Jeremiah Harber on
24 his claim for this money, which can
25 be adjusted between the parties.

26 Elizabeth Greco's heirs are entitled to
27 receive from this fund the sum of \$67.55 -
28 which I am informed and believe is
29 transferred and is going to James D. Morgan
30 and Andy Myers - which can also be settled
31 between the parties.

32 The three older H. W. Edmonson children

1 to wit: Mary F., Lehas. E., and Wm. L., are entitled
2 to receive out of said fund \$67.53;
3 Rosetta Harben minor heir of John Harben
4 deed, is entitled to \$22.52, Emma Harben
5 grand child of Lehas. Harben is entitled to
6 \$13.51 cents, The four Bays children, who
7 are grand children of W. D. Harben are
8 entitled to receive out of said fund
9 the sum of \$11.27, and A. L. Fidemore
10 on account of his claim is entitled
11 to receive the sum of \$252.65, out
12 of said fund, and the six Edmonson
13 children are due from said fund
14 the sum of \$693.09, which when
15 paid as set forth fully accounts
16 for said fund.

17 And now having performed
18 the duties assigned me to the best of
19 my skill and ability I pray hence
20 to be dismissed.

To the honorable W. J. Miller Judge of the Circuit Court
of Lee County Va.

The undersigned Receiver in the Chancery Cause
of Andrew Edmanson, Guardian &c. against L. D.
Fulkerson Curator &c. respectfully reports, that
the fund that came to his hands under the decree
in said Cause of April 2nd 1890. has been kept
at compound interest for the heirs of Henry
Edmanson, and your receiver has paid to Charles E.
W. F. and Arizona their due portion of said fund,
as they each arrived at twenty one years of age.
Andrew & Kelly B are still minors, and Edney
died on the 30th day of July 1895. under age,
and according to the provisions of the will of

"Polly" ^{Mary F} Daugherty deceased, a copy of which is
filed in the cause, the share of said Edney de-
-ceded to his brothers & sisters, the other children
and heirs mentioned in said will.

In the said Chancery cause, in which your Reciev-
-er was appointed, and which was a suit bran-
-ght by Richmond, Duncan & Orr attys, being J. B.
Richmond, C. T. Duncan & James W. Orr, your Reciev-
-er, there ~~were~~ considerable sums of money
decreed in favor of the ^{said} seven children of Henry
W. Edmonson, ~~and~~ against L. D. Fulkerson
Curator of Charles Daugherty deceased, and these
sums not being fully collected by execution,
in a lien creditors suit instituted by G. W. Gibson
& others against L. D. Fulkerson, and in which
E. W. Pennington was appointed Comr to sell the
real estate of defendant, to satisfy the liens reported,
including the balance of the decree in favor of the
said Edmonson heirs, Mr Pennington reports, as
Comr., that he has paid to Pennington Bros for all
the Edmonson children, \$337.60 and for the three
eldest \$212.40 on said decree, Now your Reciev-
-er humbly submits that C. T. Duncan & himself
are entitled to 10 per cent Commission on said
sum of \$550. ^{as a fee} for their services as Counsel,
for said heirs, in obtaining said decree, and if they
afterwards employed Mess Pennington Bro to collect
said money they can not in that way avoid paying

to Judge Duncan & your receiver, as attys, their
reasonable fee for their services in that matter.
Your receiver has, with this view, taken out of the
share of Cedney Edmanson, the deceased heirs, the
amount of said fee for Duncan & himself & retained
the same in his hands, or rather he asks your
honor to allow him to do this.

A statement of the account of your Receiver precedes
this report, and shows fully his transactions in
regard to said fund.

Dear Hyatt

Charlie and I received
the notices you gave Bishop
by mail, I suppose Charlie
will be in town on Monday
and if you think it absolute-
ly necessary for me to be there
also, write me by Mondays
mail and I will come up
Monday night. My wife's
mother is at the point
of death, I fear. We have
telegraphed for her some-
body. I hate to leave her
in this condition, unless
you think it absolutely
necessary. All the money
that Bayler has ever paid
me is of record in your
Office as he will tell you
when he comes to town.
As to what is still in
his hands I of course know
nothing. The invoice of what
went into his hands is also
of record in your Office, and
if I were there I don't see

what more I could state or
 what I could do. But for
 the Condition of my Mother
 in Law I would come any
 way. And if you say so I
 will be there Monday night.
 So please write me by Mon-
 day Mail. Yours Truly
 L. D. Hullkerson

Dear Hyatt

I returned home
from Ky last night. Only
two of Daniel's Creditors
have seen your notice.
I will see it until the
20th and I will see as
many of them as I can
and get them to go to Linn
if they will. If not I will
give you their amounts.
If your object is to find
out whether or not the
Estate will pay out with-
out selling some land.
I can tell you now that

it will not, and the
present proceeding is sim-
ply adding cost on the
estate unnecessarily. Can it
be stopped without any further
cost and let the matter
be proceeded with in the
regular way, or is this
the only way to proceed.
When I report, you can
make your report in 10
minutes, so I don't see
that it will make any dif-
ference to wait some until
the 26th. And if you proceed
tomorrow there will not
be a creditor there.
